

## Ebooks & Audiobooks

### Electronic Books

An Ebook is an electronic version of a book. It can be read on your computer or laptop, or downloaded to a device, such as a Kindle, Nook or Sony E-Reader using Overdrive.

**Note: EBSCOhost does not allow books to be transferred from a computer to an e-reader.**

You can also download ebooks on to a smartphone, or an iPad through the Overdrive Media Console app.

### Electronic Audio Books

Electronic Audiobooks are books that you can download and listen to on your computer, smartphone, or MP3 player. There is a list of compatible devices on both Overdrive and EBSCOhost's website.

The process is very similar to downloading an ebook.

As always, if you have any problems or questions with the audiobooks, please call the Reference Desk, and a librarian will help you (817-410-3404)

This list includes some of the latest ebooks and audiobooks available for downloading. If you have any questions about Overdrive or EBSCOhost, or downloading ebooks or audiobooks, please call the Reference Desk. We will be glad to assist you!
